

Who are we?

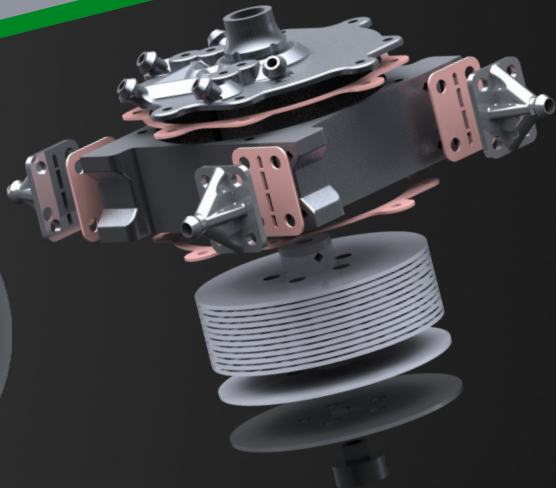

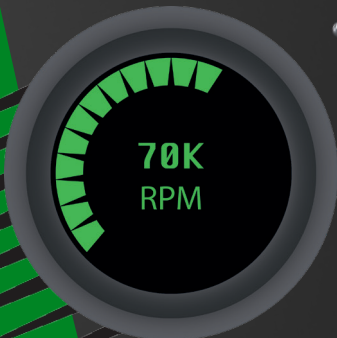

Oriartis conceives and builds extraordinary design and engineering concepts. We embrace the latest CAD and 3D manufacturing technologies.

Our Ethos.

Our focus is on excellence, with a team consisting of some of the best FPV drone pilots and business professionals. When combined with a dynamic university placement programme, this creates a high calibre and capable group.

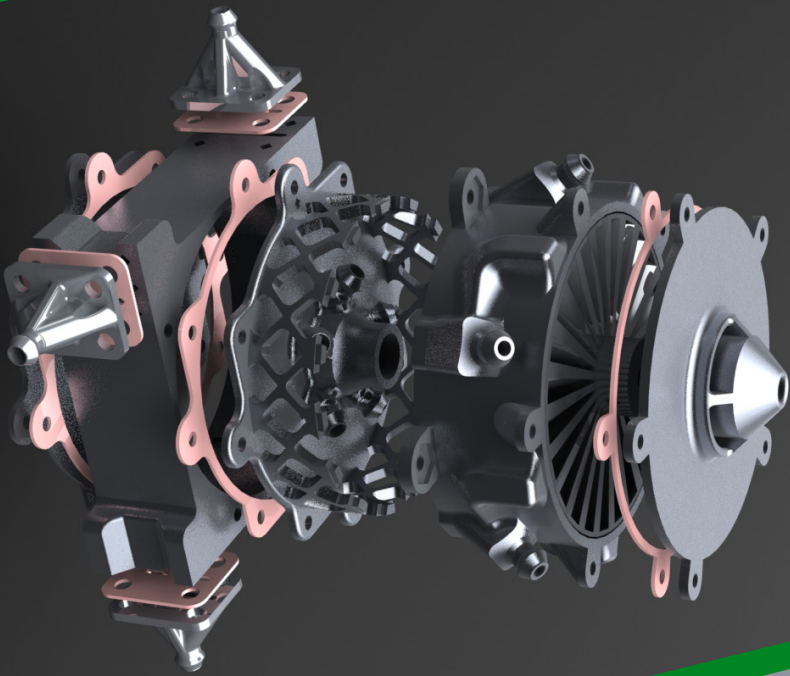

Partnerships, collaborations, sponsorships.

If you are interested in forging a partnership with us, get in touch. We are looking for manufacturing partners and offering sponsorship opportunity.

Drone speed record attempt.

Our team of design engineers and FPV pilots are focused on taking the drone speed record. We are innovating a completely new drone design and main power unit. The B1 will be 3D printed and powered by Vortex-Turbine technology.
